Dear Valued Customer,

3M™ Scott™ Fire & Safety would like to inform you of the immediate discontinuation of the ELSA 8RN variant due to supply constraints affecting the allocation of certain product components.

A list of the affected ELSA 8RN product part number and its potential alternative options is set out below in this letter for your consideration.

We will continue to provide service and spare parts for the ELSA 8RN as far as practicable.

3M remains committed to providing quality products and services to its customers and apologizes for any inconvenience that this discontinuation may cause you. We appreciate your continued support of 3M™ Scott™ Fire & Safety products and services.

Effective immediately, the following ELSA 8RN part number is no longer available for ordering:

3M™ Scott™ ELSA 8RN	
Part Number	Description
1047354	ELSA 8RN

The following are some of our recommended alternatives but kindly be informed that alternatives have different bag dimensions and features:

3M™ Scott™ ELSA Constant Flow variants	
Part Number	Description
2009412	ELSA-10-B EMPTY
1047372	ELSA-15-B FULL
2009419	ELSA-15-B EMPTY

Should you have any questions, please contact your local 3M representative.

Sincerely,

Jad Hassan
