

Mechanical Remote Manual Release

P/N: WK-875572-000

FEATURES

- **For Use in:**
 - WHDR™ Commercial Cooking Fire Suppression Systems
 - IND™ Industrial Fire Suppression Systems
- **For Use With Kidde Fire Systems XV™ Control System**
- **UL & ULC Listed**
- **FM Approved for IND™ Systems**

DESCRIPTION

The Mechanical Remote Manual Release is provided as a means of manually actuating the Kidde Fire Systems WHDR or IND Fire Suppression System from a remote location. This release is installed on the XV Control System using 1/16-inch Kidde Fire Systems control cable, P/N WK-219649-000. The WHDR or IND suppression system is actuated by pulling out the safety pin and pulling hard on the handle.

Each Remote Manual Release is supplied with a separate nameplate which must be attached to the mounting surface one inch above or below the device.

Note: A second manual release can be installed on a single XV Control System line utilizing the Kidde Fire Systems tee pulley, P/N 83-843792-000.
