**Document Reference:** PTETRA012  
**Document applies to:** Tetra  
**Release Date:** 13<sup>th</sup> November 2023  
**Subject:** Tetra Spares - Notice of Unsupported Status

The Tetra product has been obsolete since 2016 with spares supported for 7 years, as outlined in GEN063. Therefore, please be aware that support for available spares will stop in December this year.

We will accept orders on Tetra spares until **5pm GMT 15th December 2023**, or until stocks last on a non-reserved basis (whichever is sooner). A list of available spares is provided below. This list is for information only and quantity of available parts is indicative as some parts share components.

With the Tetra product now obsolete and becoming unsupported, please order an alternative product:

- Compliance 4 gas: **T4**
- Longer life and multi-flam compliance 4 gas: **T4x**
- Multi-gas and pumped units: **Gas-Pro**

If you have any questions or require assistance please contact us.

## Available Spares

Part Number	Description	Available
C011005	Calibration flow plate for pumped Tetra post 1V08 software	10
C01841	Flow plate and gasket	50
C01842	Universal harness plate	84
C01845	Carry case (rechargeable version)	19
C01846	Aspirator assembly for pumped units, includes 2m hose	50
C01847	Aspirator assembly for non-pumped units	51
C01863	Chest harness kit (includes harness plate and straps)	60
C01864	Strap for universal harness plate	>100
C01866/1	230V 50/60 Hz in-line charger - no plug	70
C01874	Calibration flow plate for pumped Tetra pre 1V08 software	10
C01875	Calibration flow plate for non-pumped Tetra	10
C01888	Carry case (non-rechargeable version)	17
C02098	Car charger, 1.5m cable	43
E011095	Multi-region charger (UK, US, EU, AU)	>100
E01633	Fuse 125 mA encapsulated red	54
E01824	LCD display	>100
E07612	Flexible connector (minimum order quantity 10)	>100
E07985	IR adaptor for PC (plugs into RS232 port)	15
M03735	Sensor plate hex screw (minimum order quantity 10)	>100
M03762	Main case bolt (minimum order quantity 10)	>100
M040032	Charging socket (minimum order quantity 10)	5
M04431	Sensor clip retaining ring (minimum order quantity 10)	>100
M04789	Gore-Tex™ filter 2 needed per unit. (minimum order quantity 10)	>100
M04791	Tetra sounder gasket	>100
M04795	Sensor plate seal (minimum order quantity 10)	>100
M04796	Sensor plate gasket (minimum order quantity 5)	>100
M04800	O-ring for Tetra case (minimum order quantity 10)	>100
M04808	Dummy sensor (minimum order quantity 4)	15
M04811	Outlet gasket (minimum order quantity 10)	>100
M04857	Tetra bench holder	9
M04880	Filter retaining bracket	100
M051015	EMC shield label	>100
M05834	3D label, Crowcon (minimum order quantity 8)	>100
S011394/1	Lower case assembly rechargeable	>100
S011396	Sensor plate assembly, non-pumped	20

Page 3 of 3

S011397/1	Top moulding	>100
S011398	Sensor cover filter assembly	56
S011421	0-100ppm hydrogen sulphide	>100
S011422	0-500ppm carbon monoxide	>100
S011423	0-25% vol. oxygen	>100
S011424	0-100% LEL methane	>100
S011425	0-20ppm sulphur dioxide	>100
S011426	0-10ppm nitrogen dioxide*	100
S011427	0-20ppm nitrogen dioxide*	100
S011428	0-20ppm chlorine*	>100
S011429	0-2000ppm hydrogen	100
S011430	0-25ppm hydrogen cyanide	100
S011431	0-5ppm phosphine	100
S011432	0-1ppm ozone*	100
S011433	0-10ppm hydrogen fluoride*	100
S011435	0-100ppm ammonia	>100
S011436	0-100% LEL propane	>100
S011437	0-100% LEL pentane	>100
S011438	0-1000ppm ammonia	>100
S011439	0-100% LEL butane	>100
S011440	0-100% LEL ethylene	>100
S011460	0-100% LEL hydrogen	>100
S011463	0-1500ppm carbon monoxide	>100
S011464	0-1ppm phosgene*	100
S011741	0-100% LEL flammable (unfiltered) Use for alcohols, ketones and general solvents	>100
S011912	0-500ppm hydrogen sulphide	>100
S011949	0-100% LEL methane (Australian configuration)	>100
S012036	0-5ppm phosphine - UK alarms	100
S012037	0-20ppm chlorine* (UK alarms)	>100
S012054	Spare Tetra pump and sensor plate assembly	20
S012161	Sounder (minimum order quantity 5)	>100
S012183/M	0-5% CO2 IR (uncertified safe area only)	>100
S012976	Tetra ozone flow plate	60
