

November 2025

Dear Valued Customer,

3M Scott Fire & Safety would like to inform you of the immediate discontinuation of the following 3M™ Scott™ Airline Filter Units (AFU-2-MAN and AFU-4-MAN), which were used as standalone devices for airline breathing systems or as part of the 3M™ Scott™ Modulair airline trolley system.

Due to the obsolescence of certain key components from our supplier, we are no longer able to supply these parts.

Effective immediately, the following products and part numbers are no longer available for ordering.
